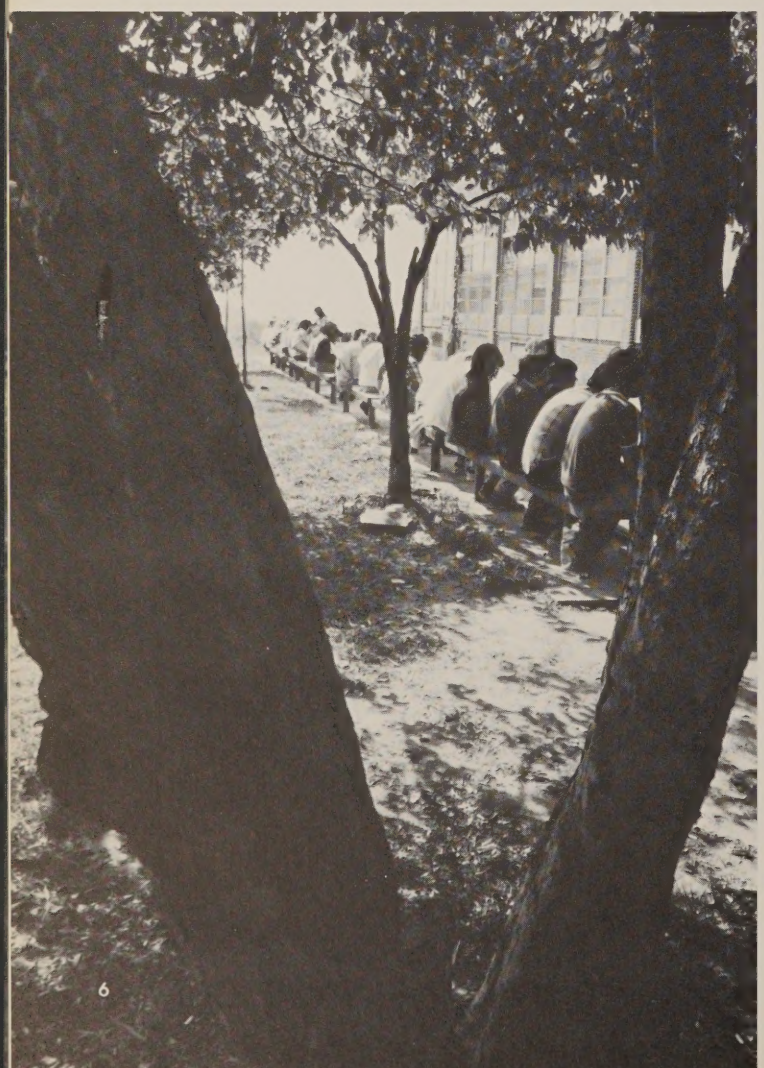
You have asked me why
the days fly by so quickly
And why each one
feels no different than the
last
And you say you are fearful
for the future
And you have grown
suspicious
of the past.



And you wonder if the dreams we shared together
Have abandoned us or we abandoned them

And you cast
about
and try to
find
the meaning
So that
you can feel
that
closeness
once again

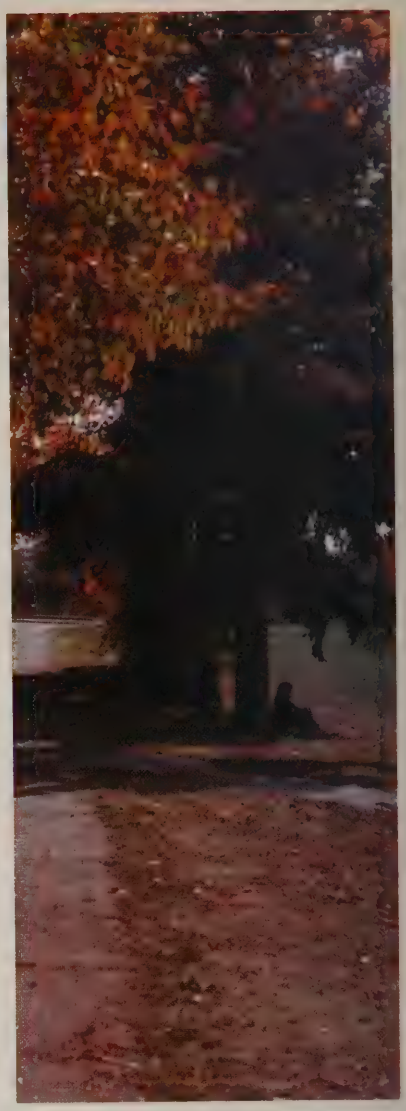
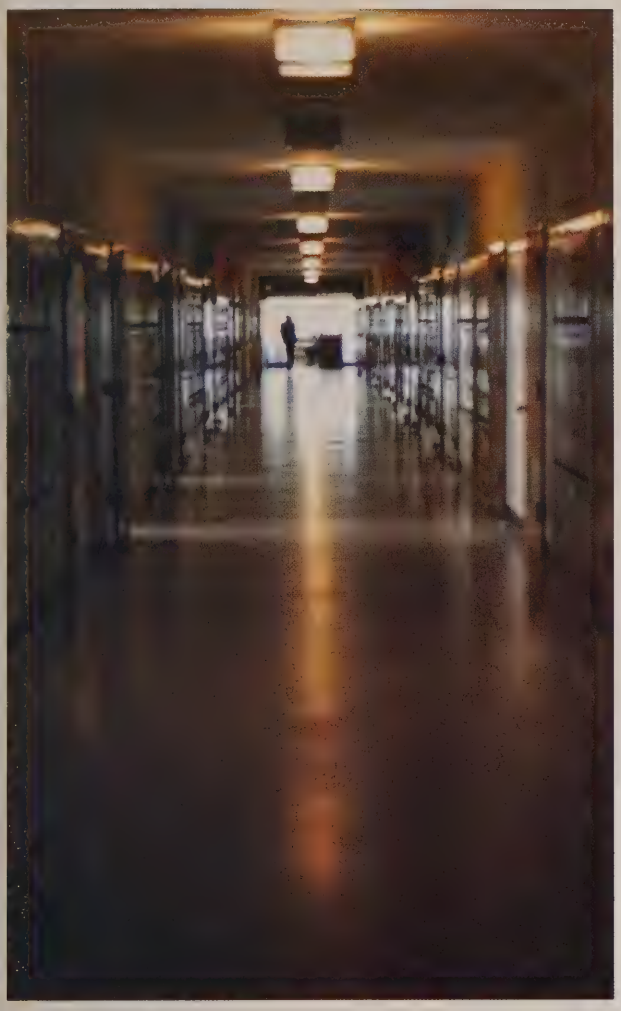
Carry On, my Sweet Survivor — Carry On, my lonely friend
Don't give up on the dream and don't you let it end





Carry On, my Sweet Survivor
Though you know
that something's gone
For everything that matters,
Carry On.

You remember when
you felt each person
mattered
When we all had to care
for all was lost
But now you see believers
turn to cynics
And you wonder
Was the struggle worth the
cost

Carry On, my Sweet Survivor
Carry On, my lonely friend
Don't give up on the dream
and
Don't you let it end.

ADMINISTRATION

ISAAC AYCOCK
Assistant Principal

MARGARET TOLZMAN
Administrative Secretary

The 1980-81 school year saw many new and innovative changes in its leadership. Mr. Richard Walters, previously of Pikesville Senior High, joined the administrative staff as Assistant Principal. Mrs. Janice Meekins and Mrs. Mary Jane Park joined the staff as administrative secretaries. A new homeroom schedule confushed many at first, but proved to be a great improvement in policy.

GUIDANCE

The guidance department was changed back to the "one counselor per grade" system this year. Another worthwhile change was the addition of the Guidance Information System. The GIS is a computer that enabled students to research a certain college, in detail; or for those seeking an occupation, it aided the students in the choosing of a specific field of employment. The system was certainly helpful to all students whether they were pursuing a career or were college bound.

Under the leadership of Fred Osing, the English department once again accepted the challenge of educating the entire student body in the language arts. This year the teachers identified and provided help and incentive to those who were not achieving well scholastically in relation to their ability. Diagnostic testing in functional reading, composition, and language skills enabled the English teachers to plan realistically for each student.

SOCIAL STUDIES

This year many new concepts were introduced in the Social Studies department. Several new teachers were added to the CHS staff. Peggy Golden became the new department chairman, while Art Gamzon and Tomi Hauswald also joined the staff.

"Striving for Excellence" was the main theme for the school year. This year the emphasis was placed on reading skills and study habits. For the first time, a mock election was held. Students were able to vote for their favorite presidential candidate.

Through these various activities, the Social Studies department concluded a very successful year.

HOME EC. / INDUSTRIAL ARTS

A new face seen in the Home Economics Department was that of Lynn Dee Neff. This year the Home Economics department emphasized the teaching of basic skills and encouraged individual creative expression. The students showed great concern and interest in their classes.

Dave McCarty was the only new addition to the Industrial Arts Department. The program placed special emphasis on strengthening the ability to utilize equipment for future industrial tasks as well as common repair problems. Personal development was stressed as well as manual dexterity and physical flexibility.

The Physical Education Department continued its regular activities and introduced new ones. These activities, fencing, orienteering, co-ed weight training, and co-ed badminton, were elected by the students. Also by the students' request, the gymnastics unit was discontinued. In addition, outside speakers lectured on health and drug and alcohol abuse. Finally, Mr. DeManss stated that there was a dire need for more facilities to eliminate the crowded conditions and to provide different activities.

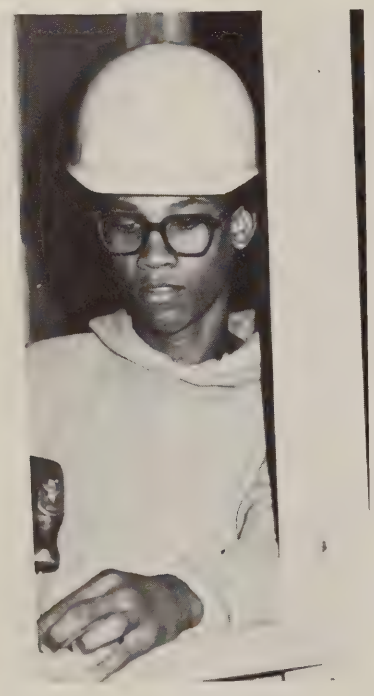
ART / MUSIC

The Art Department this year graduated many students planning to further their art education. Once again, students were selected to participate in the Arbutus Arts Festival held in the Spring. Furthermore, one person was selected to represent Catonsville Senior High in the Outstanding Art Student Exhibit at CCC.

The Music Department acquired Barbara Ward, an enthusiastic guitar and chorus teacher. Many students held hard-earned positions in honored bands and orchestras, proving their skill and potential.



WESTERN VO-TECH

Western Vo-Tech offered students specific skills for employment during and immediately following high school. After high school, these students may seek employment or apprenticeship, or they may choose to continue in college. Each program lasted between two and three years, with the third year being a work-study program. There were two types of programs, "cluster" and "individual." All of the programs have proven to be beneficial for those students who attended.

The cafeteria staff should be commended for their hard labor in providing the student body with a clean cafeteria and nourishing meals. The custodial staff, under the new leadership of Floyd Thompson, was greatly appreciated for keeping the school complex clean and in good working order.

Once again, the Bus Drivers safely transported students back and forth between home and school.

Since Mr. Martinkis' retirement, the Driver's Education department acquired a new teacher, Phil Agnew, to take on the responsibility of educating new drivers.

Seniors

Seniors

For the second year, the cheese and sausage sale proved most profitable for the enthusiastic seniors. With their profits totaling around $2000 they looked forward to many exciting senior activities. Their advisors gave them the needed support, and their own cooperative attitudes helped them work towards a memorable senior year.

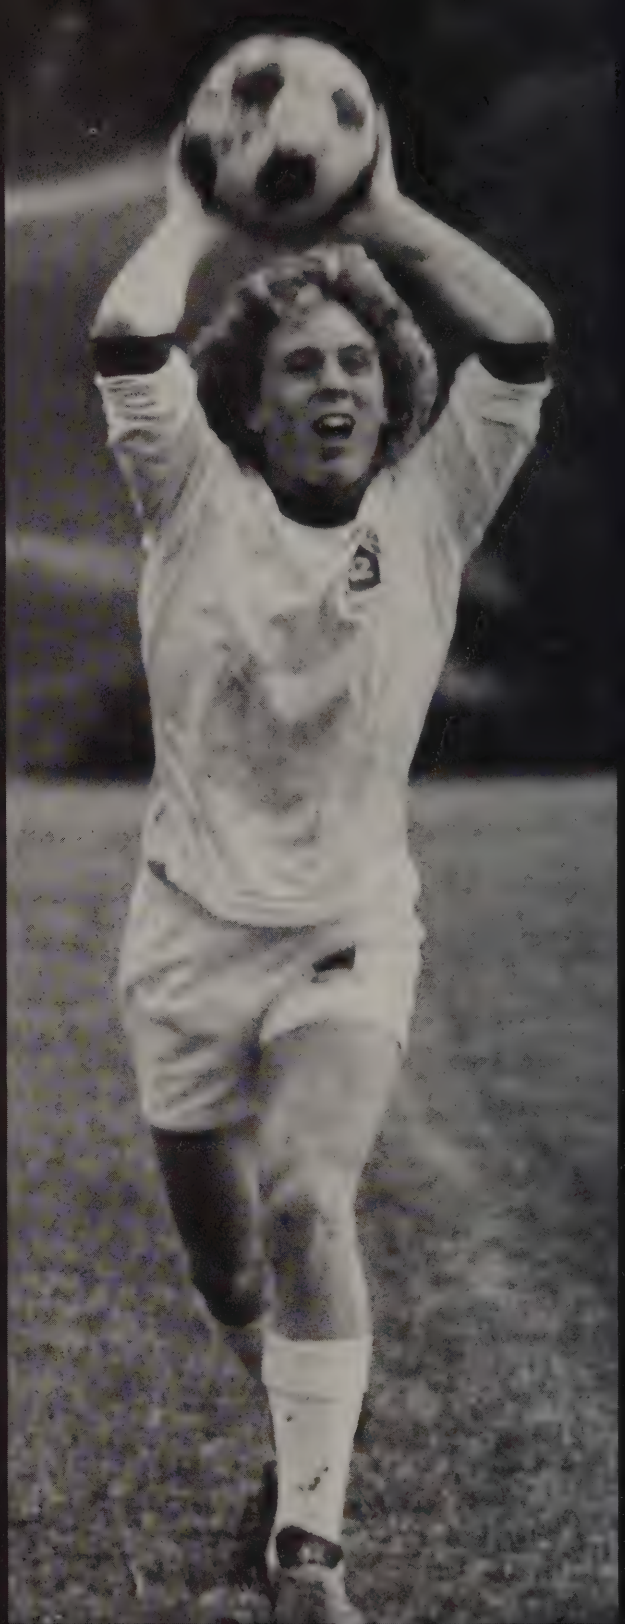
in memory of

Jamie Drinkhouse

November 2, 1962-
March 20, 1980



"He left me with a positive impression. I feel sorry for the people who didn't get a chance to know Jamie. I'm thankful that I did."

Tim McLaren

A DREAM

I dreamed I was walking along the beach with the Lord, and across the sky flashed scenes from my life.

For each scene, I noticed two sets of footprints in the sand. One belonged to me, and the other to the Lord.

When the last scene of my life flashed before us, I looked back at the footprints in the sand. I noticed that many times, along the path of my life, there was only one set of footprints. I also noticed that it happened at the very lowest and saddest times in my life.

I questioned the Lord about it, asking:

> "Lord, you said that once I decided to follow you, you would walk with me all the way; but I have noticed that during the most troublesome times in my life there is only one set of footprints. I don't understand why, in the times I needed you most, you would leave."

The Lord replied:

> "My precious child, I would never leave you during your times of trial and suffering. When you see only one set of footprints, it was then that I carried you."

Classes

Juniors

The Junior Class approached their second year at CHS with much spirit and enthusiasm. Once again, their ceramic sale at Christmas time brought in a profit of over $1000. Profits were also made by the large turn out of students at the Junior Ring Dance. Under the leadership of many hard working and determined students, juniors enjoyed a most successful Prom and look toward a fine senior year.

Sophomores

The Class of '83 got off to a good start during their first year at CHS. Profits of about $500 were made by the sale of athletic equipment bags, and money was also made from the well attended Battle of the Bands and Spring Dance. The sophomores proved to be enthusiastic and can anticipate two more successful and memorable years of high school.

Sophomores Swing Into Spring

This year's Sophomore Class Dance capped off CHS's May activities calendar, attracting an enthusiastic crowd from all classes. The music, provided by fellow Catonians from the group *Blind Ambition* aroused school spirit which filtered onto the dance floor.

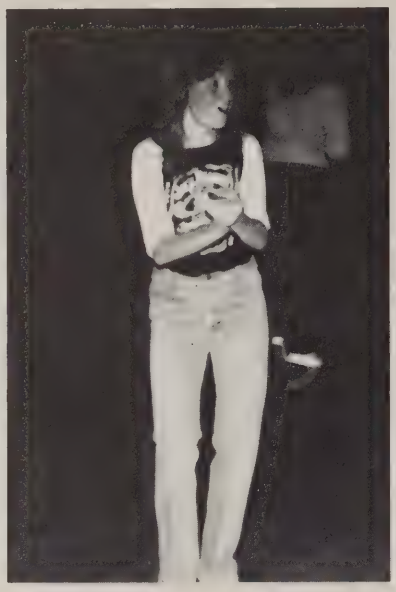
Activities

A Salute to the Seasons

A strong season shared by all the Comet teams set an energetic mood for the Victory Mixer. The mixer, presented by the SGA, was held on October 10, 1980. The music was provided by a well known Washington band, THIN LINE. For all who attended, the mixer was "excellent."

Vision Lights the Way

On the evening of November 7, 1980, the Junior Class held the Ring Dance featuring the band, "Vision." Due to the excellent turnout of students, the dance was both a financial success and a memorable occasion.



Nice catch!

Junior Class applauds their rings.

An "Old Fashioned Christmas"

On the night of December 20, 1980, Catonsville Senior High School held its Annual Homecoming Christmas Dance. The theme of this evening varied somewhat from years past. It focused on simple traditions; homemade decorations, a live tree strung with popcorn, fresh holly, and mistletoe. The dance's success can be attributed to the effort and spirit of the social committee at C.H.S.

You Can't Take It With You

This year, the Catonsville Drama Department, headed by the direction of Robert Harkum, presented the 1930's English comedy, *You Can't Take it with You,* on the nights of November 14 and 15. The play was the cooperative effort of a large number of talented actors, actresses, and stage hands, who spent long nights making the play a financial, as well as dramatic, success.

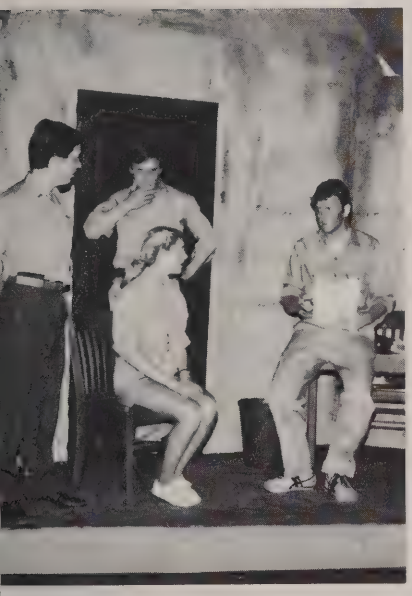
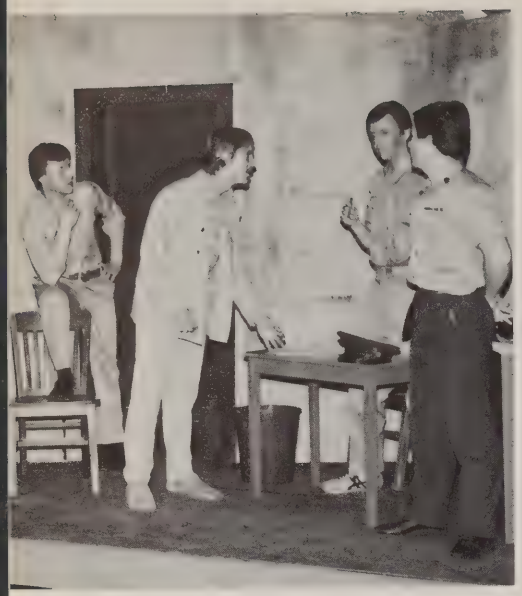
Molly LeGath — Company Stage Mgr.

C.H.S. Hits the South Seas

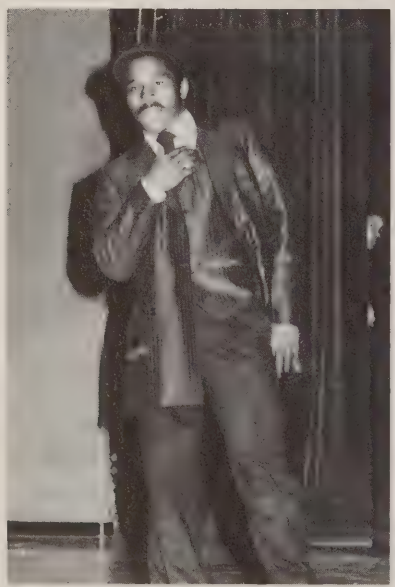
The Pulitzer Prize winning musical *South Pacific* was presented on April 24 and 25. The play was presented under the direction of Bob Harkum, Mary Knoll, Ray Hardy, and Barb Ward. Because of the efforts of the cast and orchestra, the play was a success. The audience was near capacity both nights and was very receptive. They showed their enthusiasm by standing ovations both nights.

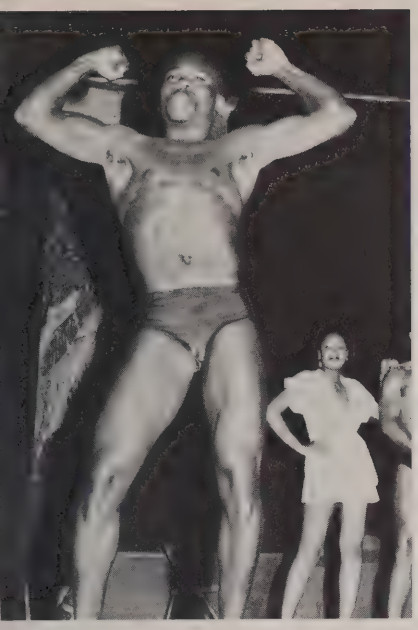




BSU Fashion Show

The Black Student Union, sponsored by Mr. Vernist Faison, held their annual Fashion and Gong Show on Monday, May 4. The combined efforts of the participants and especially BSU officers, Tina Moore, Crystal Conigland, and Wendy Talbot, contributed to the success and the profit made on the show. According to Mr. Faison, all who attended were "very enthusiastic and energetic" throughout the evening.





The Best of Times

The Class of 1982 held its Junior Prom on Saturday, May 16, 1981, in the CHS gymnasium. The music was provided by the band *Snowblind,* who played very popular selections including the theme song "The Best of Times". A majority of the people danced to the good tunes, while those who did not wish to had plenty of places to sit and socialize. The gym was decorated very simply and the class gave out memorable favors. The class had a very successful prom where everyone seemed to fully enjoy themselves.

Best of Times

An Izzy-Dizzy Day

The traditional CHS Senior Day was, as usual, a day of fun-filled events. The day began with the parking lot parade and the movie, *Animal House*. Then, the kiddies trekked through the midst of the overcast day to begin the games. Although the weather was miserable, the wet grass added to the enjoyment of the games. Soon after, a delicious lunch was provided, and the students listened and danced to the band, *Core*. The ever-popular pie throwing contest was once again a favorite to all.

RELAY

For Scholarship and Service

On June 4, 1981, many students, including underclassmen, were honored at the senior awards assembly. The presentations ranged from departmental awards, to exceptional accomplishments, to numerous scholarships.

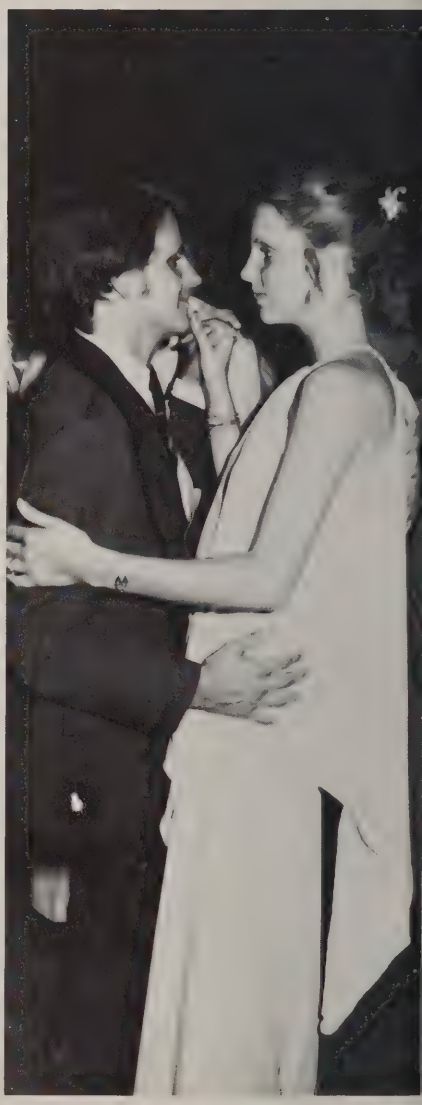
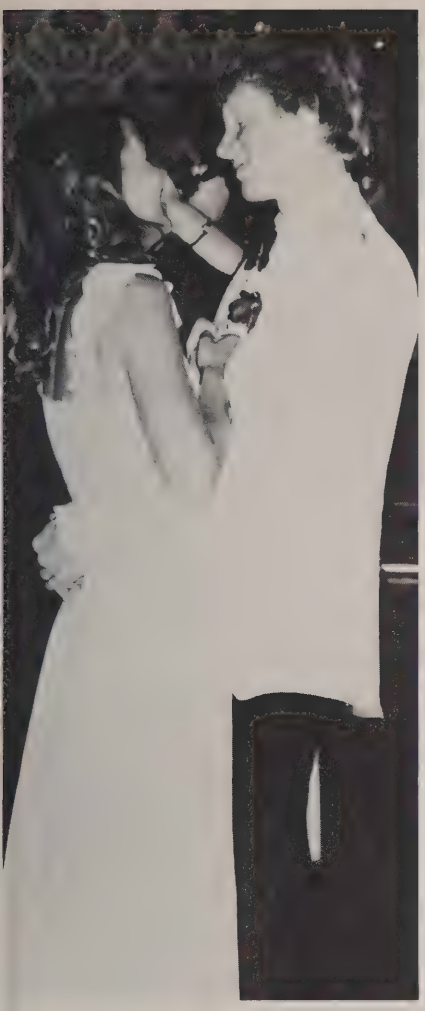
Celebrate!

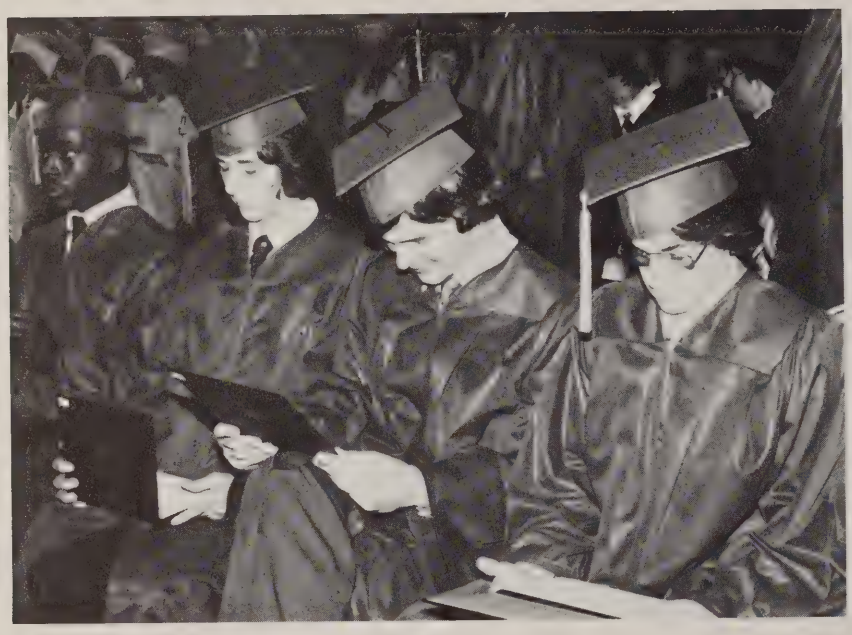
June 5th and the Belvedere Hotel will be unforgettable to the Class of '81. This was their Senior Prom and an event filled with many memories. Complimenting the good food and extravagant decor, *41 East* and a disc jockey from B104 provided the music. The large turnout and enthusiastic attitudes also contributed to the success of the evening. Although it was the last social occasion for the seniors, it was greatly enjoyed by everyone.

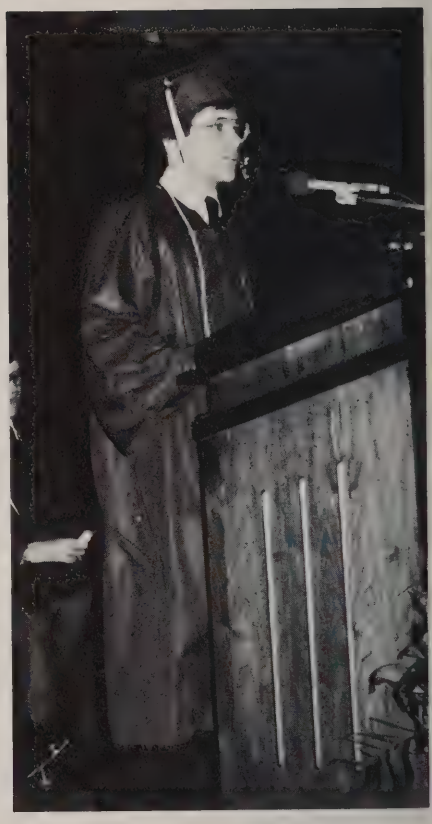


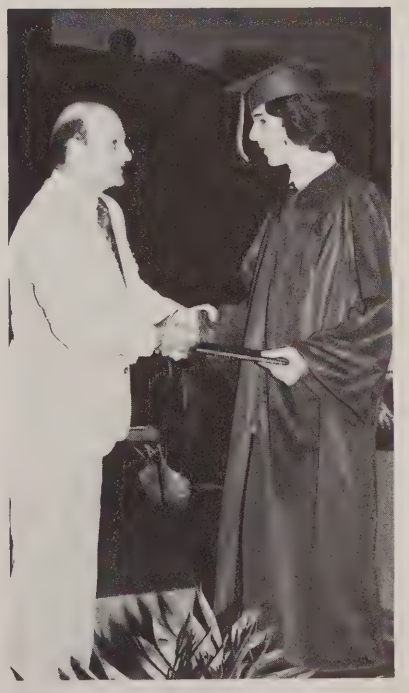


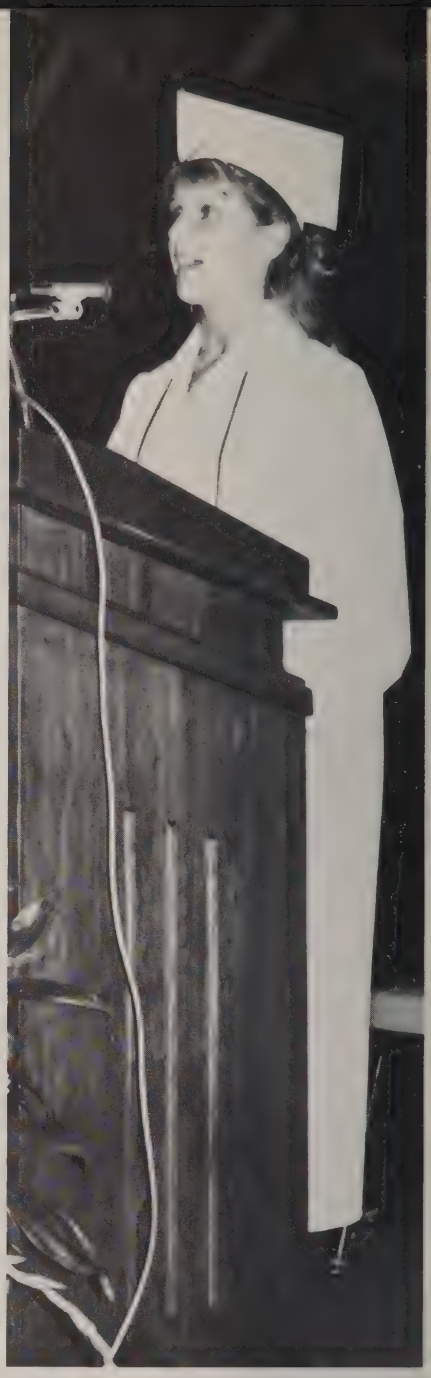
A Time of Transition

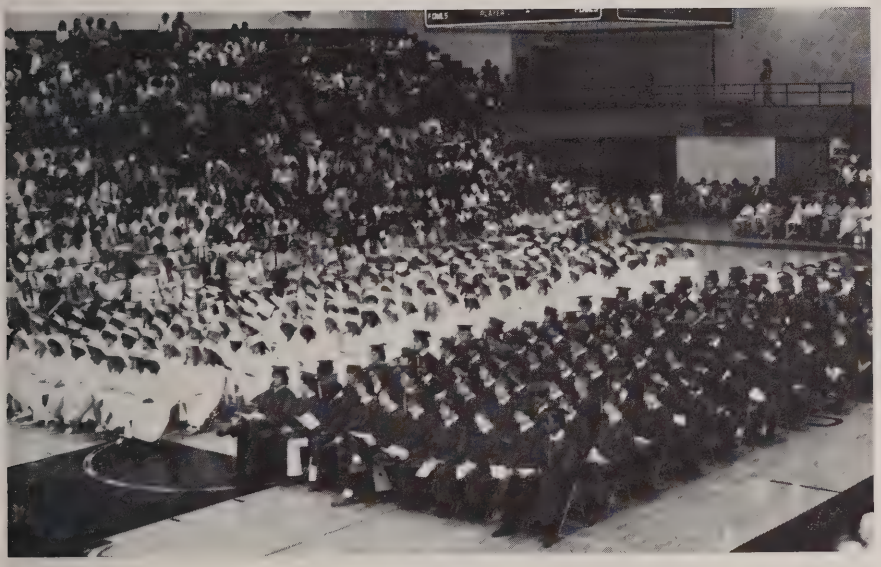
Graduation exercises for the Class of 1981 were held at U.M.B.C. Field House on Tuesday, June 9. The evening combined excitement and celebration with reflection upon twelve years of memories. Mr. Levin and Mrs. Brown, as senior class advisors, were a great asset and helped the senior class have a very successful year.











Organizations

Have a Club on Us!

Although the number of clubs diminished this year, the student participation increased which enabled the activities, sponsored by the various organizations, to be a great success.

Take It Away SGA!

The 1980-81 Student Government Association was marked by an unusually high level of teamwork that allowed the organization to develop new activities as well as improve on traditional ones. Various members of the Executive Board led such SGA groups as Social Committee, Spirit Committee, and Services Commitees.

The SGA also had a successful year financially. A new movie screen has already been purchased for the auditorium and other purchases are still under consideration.

Speech Is a Mouthful, but That's Debatable

The Catonsville Speech Team completed a successful year in the Baltimore Forensic League Tournaments with three of its members qualifying for the finals. Katie Sandbower, Jim Mitchell, and Jenny Scott represented Catonsville at the BFL qualifying tournament. The team also competed in the Triple Crown, a series of three tournaments sponsored by local community colleges, and the State Speech and Debate Tournament held at Wootton High School in Montgomery County.

The Catonsville Debate Team also successfully competed in many tournaments both in and out of state. The team competed in such places as Williamsburg and Central Catholic High School. Louis Morsberger and Randy Shangraw finished first in the Baltimore Forensic League Tournaments and qualified in various other tournaments. Varsity members who competed this year and won several tournaments included Gordon Ashby, Mark Hinckley, Ted Poehler, and Robert Burchard.

Ellipsis

This year's staff of the school literary magazine, *Ellipsis*, continued the trend of producing a high quality magazine. Under the supervision of Gary Blankenburg, the *Ellipsis* staff collected the finer samplings of literature composed by CHS students to place in the May publication. Also included in the magazine were pieces of art work submitted by the CHS art students encouraged by Charles Reisenweber and Keith Lauer. The collaberation between the English department and art department as well as the patronage of the community made this year's *Ellipsis* issue a reflection of the talent which Catonsville students possess.

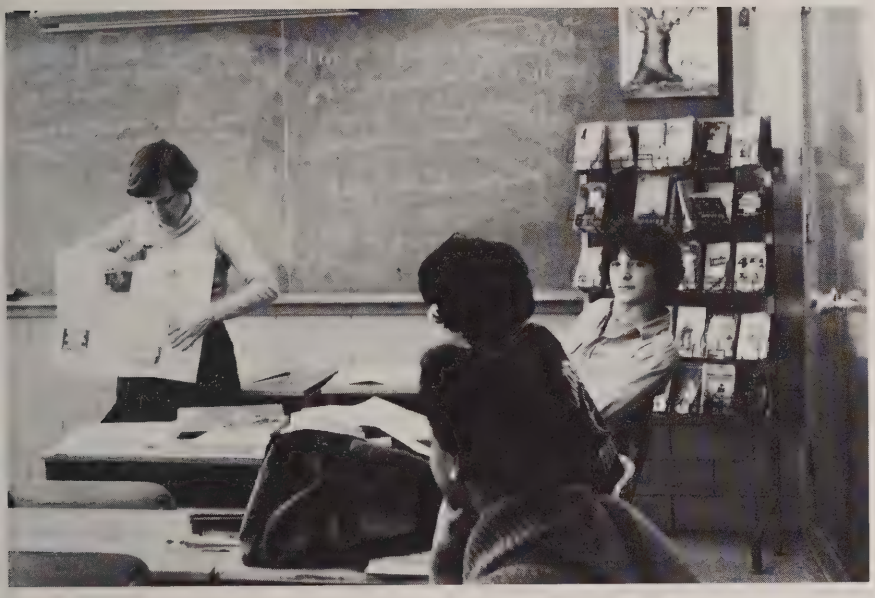
The Comet Soars

The newspaper, in its first full year as the *Comet*, had many firsts, including a Journalism I class which was formed to prepare students to take future staff positions. The paper also contributed to Teen Voice in the *Catonsville Times*, and they continued doing weekly segments for Cable 4. The staff was a versatile group who all contributed to the success of the paper.

Comet Staff



Catonian

This year's *Catonian* staff had a few experienced members as 5 members from yearbook I returned. Other new members brought new ideas to help make this year's book unique. The yearbook staff met with competition this year since they wanted to improve upon last year's book.

Football Tackles Tough Season

The Varsity Football team battled through a season of decisive wins and losses. The Comets, with eleven returning players from last year's squad, had the talent and the ability to sweep the division, but were set back by unexpected defeats.

The JV however, had a winning season, compiling an undefeated record of seven wins and no losses. The team exhibited 100% determination and willingness to achieve perfection. The Comets showed promising quality for future years at CHS.

*JV County Division II Champions

Three Times a WINNER

Once again, State Champs! For the second consecutive year, the Comets swept the Class A State Championship held at Catonsville C. C. Besides the state title, the Comets breezed through and won their division, as well as the County and Regional titles. To improve upon last year, the 1980 champions did not lose a single game throughout the entire season and only allowed doubled figures twice. Coach Debbie Clem once again was honored as "Coach of the Year" for her fantastic work with the team. Also for the second year, Lisa Meyer and Debbie Hughes were placed on the All-Metro team along with first year honoree Evelyn Boston. Coach Clem was very proud of all the team members for not only their skill but also for their caring and sharing attitudes towards each other as well as their hard work together as a team to become the best.

The JV Volleyball team had a very successful season. With only one returning member and a group of enthusiastic, talented sophomores, the team won 8 out of the 10 matches; they were, in fact, the only team to defeat the divisional champions. By the end of the season, many of the girls looked to be promising varsity material.

Ready, Set, States

The girls' Cross-Country team had an outstanding season with 11 wins and only one loss. The team was led by seniors Donna Kirstukas, Gail Jarrell, and Sherri Englehart. Sophomores Karen Zukowski and Amy Prochazka added depth to the team while improving their times throughout the season. The team finished sixth in the Counties and qualified for the State finals by placing third in the Districts. In the States, Donna Kirstukas and Gail Jarrell received ribbons for finishing in the top 40.

Despite a losing season, the boys team displayed much potential. Sophomore Tony Bookhultz guided the team along with Paul Kirstukas, Joe Walker, and Ralph Cassamassina. After a rebuilding season, the team looked promising for next year.

What's the Scoop

This year's Varsity Field Hockey team, consisting of a spirited bunch of seniors and a small band of dedicated underclassmen, played to a 4-5 season! The season was highlighted by the possibility of play-off competition.

The outstanding JV team won more games than any team in recent Comet history, finishing with a 6-2 record. The team improved throughout the season missing play-off competition by one loss.

Soccer Shows 'em!

The Varsity squad had an exceptionally successful season as they went undeated for the first seven games, then fought to the end where they lost in the regionals. The team was led by Rob Miller and Jamie Hanna, both of whom made First Team All-County. Rob scored thirteen goals to set a new school record. Lou Weinkam and Art Van Meter both made Second Team All-County.

The JV squad had a weak season with only two victories. The team was under a first year soccer coach, Art Gamzon, and an almost completely rookie line-up. Cory Case and Nick Landevere were the two major strengths of the team

We Hustled, We Won!

Under the new Comet coach, Laurie Donnelly, the eighth in eight seasons, the Comets made their way to the Regional playoffs for the second consecutive year. The Comets, despite their lack of size, made up for the height difference through the quickness and hustle they displayed throughout the season. With a 15-5 record, the Comets finished in third place in their division, boasting a 10-0 record at home.

The JV also had a new coach, Ellie Jones, who led them through a very successful season, finishing in a tie for second place in their division with a 13-3 record. With the exception of their 3 losses, the Comets constantly blew out their opponents with their strong offense.

Comets Capture County

For the third consecutive year, the varsity team ruled the 'ABC' Division of Baltimore County. To better last year, the Comets went undefeated in county play and ended up with an overall record of 18-3. Once again, they made it into regional play-offs, but after receiving a first round bye, were defeated at the hands of Aberdeen. The Comets had a surprising season, doing much better than expected.

While rebuilding, the JV team did as well as expected, ending at 7-9. Being a young team, with few juniors, they gained valuable experience for the up-coming years.

Wrestlers Take Hold

The Varsity Wrestling team had a somewhat disappointing record with 2 wins, 6 losses, and 1 tie. Coach Ron Palmer led four CHS students to regional competition. Both Mike Daniels and Paul Kirstukas placed fifth in their weight class while Paul Hoffen and Alan Bowman placed in the top eight.

The JV team also had a disappointing record with no wins and 9 losses. However, Mr. Geoff Weilert, a new teacher this year at CHS, commented that the team's record was due to individual weight class forfeits.

Trackers Travel to States

The Indoor Track team had an excellent season. The girls finished with 6 wins and 1 loss while the boys finished with a 4-3 record. The girls' team was well-rounded with a few experienced members returning and many sophomores who added depth to the team. In the States, Donna Kirstukas placed 4th in the mile and 3rd in the 1000 yard run while anchoring the 2 mile relay team consisting of Gail Jarrell, Amy Prochazka, and Lisa McMillan to a 3rd place finish.

The boys' team's main strength was the sprints. The 880 relay team of Darryl Radcliff, Rob Miller, and Chris and Eric Brown performed well all season and then received 3rd place medals in the States. In addition, Eric Brown placed 4th in the 60 yard dash in the States, while tying a county record.

Fleet Feet, Quick Sticks

The boys' varsity lacrosse team came extremely close to play-off competition, concluding a fairly successful season with four losses. The team anticipates a promising season next year, but will miss Sam Serio, a valuable goalie.

A JV team was added to the program this year and will help strengthen the team for future years.

Boys' JV Lacrosse: Front Row: T. Haynes, T. Guerassio, T. Blair, M. Schmidt, C. Everett, J. Kloetzel, P. Dunn. *Back Row:* J. Guerassio (asst coach), M. Hiles, V. Klygis, E. Steiner, G. Trueth, T. B ukoltz, M. Hoffman, R. Mathias, C. Reisenweber (coach).

Comets Stick With It

The girls' varsity lacrosse season ended with a disappointing record of 4 wins and 5 losses. Winning the first 2 games, the players and the coach, Kathy Schuyler, retained high hopes for a successful season; however, these thoughts diminished after the team lost several key games. Although the skill and experience of the players was of a high level, the team could not seem to "get it together".

Containing mostly sophomores, the J.V. team was rather inexperienced; however, coach Sue Tustin led her team to an unexpected 3-2-2 season. Due to a large loss of seniors, the coaches face the task of rebuilding the team next year. With the determination that the remaining players possess, the vacant varsity spots should be rightfully occupied.

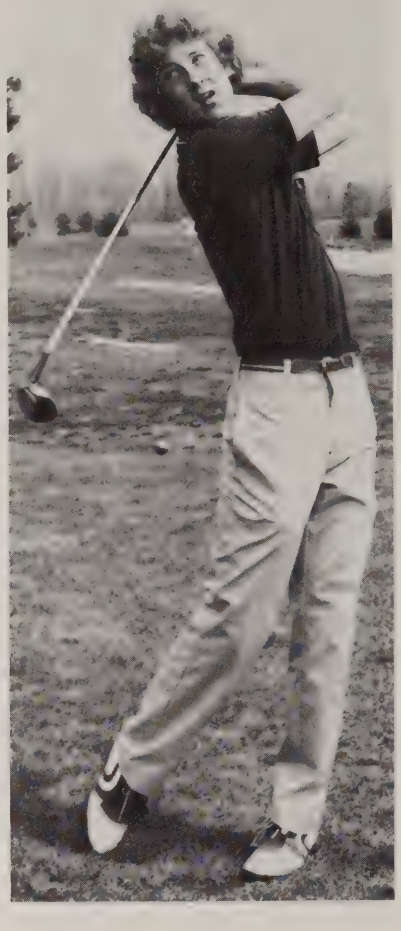
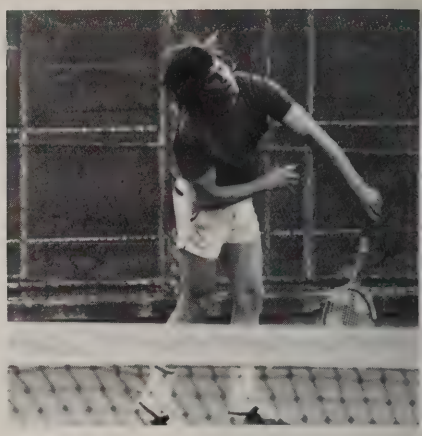
Par for the Courts

The tennis team, under the coaching of Richard Talarigo, had a successful season this year ending with an 8-4 record. Paula Ferrante, the Comets' top seeded player, won nine matches and advanced to the county championships. The doubles pair of Katie Sandbower and Laura DeLuca were also successful with a record of 8-4.

After a year off, the golf team, coached by Fred Yanero, successfully completed their season with a 4-1-1 record and placed third in the team county competition. Jeff Miller and Kelly Hughes placed thirteenth and fourteenth respectively in the individual county championship.





Tennis: Front Row: K. Sandbower, P. Ferrante, J. Corbitt, J. Mathis, J. Burke, T. Poehler. *Back Row:* C. Conigland, L. Weinkam, R. Talarigo (coach), L. DeLuca, G. Brown, L. Howell.

A Season on Record

The girls' track team finished with an impressive record of 6-2. The girls 2-mile relay of Gail Jarrell, Amy Prochazka, Carla Burd and Donna Kirstukas broke the school record by over 20 seconds and placed 6th in the State meet. Evelyn Boston was outstanding this season, smashing school records in the 200 meter dash and long jump. She placed 2nd in the long jump in the counties and in the dash she finished 5th in the States. Donna Kirstukas broke the school record in the mile and placed 5th in the States.

Sprinters dominated the boys' track team which ended its season with a 6-2 record. Junior standout, Eric Brown, tied the Baltimore County record in the 100 meter dash. Eric also swept the County Regionals in the 100 and 200 dashes and placed 2nd in the 100 in the States. Rob Miller captured 2nd place in the Counties and 3rd in the Regionals in the triple jump. Team members Darryl Radcliff, Rob Miller, Chris and Eric Brown teamed together for the 400 and 800 meter relay. The 800 relay team placed 5th in the States.

Comets Steal Division

The softball team, under coach Debbie Clem, ended the regular season with an 8-1 record, good enough to give them the County 'ABC' divisional crown and entry into the County Championship. In addition, the Comets made their way into the regional play-offs and then ended their season with an 8-3 record.

The JV team also fared well this season, ending with a 6-3 record. The Comets had a stable defense and explosive offense which rarely led to a close game.

Baseball Battles It Out

The varsity baseball team, under coach Art Reeves, finished the season with a 5-9 record. The senior led team defeated Franklin for the first time in 3 years and also beat Loch Raven 1-0 in a 12 inning battle. Again, Steve Gress was placed on the All-County First Team.

The JV squad finished in a first place tie in their division with a 8-5 record. The team, consisting of a strong offensive attack, had many experienced players which led them through their successful season.

Accomplished Athletes Awarded

This year marked the fourth year of the Varsity Club's existence. The group continued the tradition of the annual banquet held at Martin's West to honor CHS's athletes. Highlighted by a talk from guest speaker Jim Pollihan of the Baltimore Blast, the evening was very enjoyable to all.

JOURNALISM

Kim and Tracy,

How do we begin? (Being serious never was Reli's style). Anyway, we'd just like to thank you for everything you've done this year. Not only are you great managers but you've been great friends. You listened to all our stories and jokes, and put up with our singing. You shared a lot with us, too. You've been patient, and very helpful. Thanks for the rides and all the fun we had. Good luck. We'll miss ya' next season.
